

Rantin' Rovin' Romantics

Celebrate the bicentenary of the famous novel *'The Private Memoirs and Confessions of a Justified Sinner'* by James Hogg.

Relaxed, accessible and informative, Rantin' Rovin' Romantics is a new and exciting monthly series of readings of extracts from the literature of Scott, Hogg and their contemporaries.

Incorporating collections-focused discussions, these events take place between May and October 2024 at Sir Walter Scott's Courtroom, Market Place, Selkirk.

Join us and explore the themes and stories surrounding major figures of the Romantic and Gothic tradition and their work.
